the Govt order does not confer a general authority on the Senior Surgeon to entertain Volunteer Compounders at anytime. The Comptroller's view seems to be right. If so, the Senior Surgeon's proposal has to be regarded as a fresh one and settled on its merits. The Senior Surgeon has not furnished information as to the no: of Volunteers he has already entertained and how long since they have been employed; nor has the Source from which the charges involved will be met been pointed out. As the proposal concerns a non-budgetted item of expenditure, Branch II has also to be consulted.

To

K. R. Srinivasa Iyengar, Esq., M.A.,
Secretary to the Government of
H. H. the Maharaja of Mysore, Genl. and Rev. Deptts.,
Bangalore.

Sir,

In forwarding copies of correspondence between the Comptroller to the Government of H.H. the Maharaja of Mysore & myself, anent payment of subsistence allowance to Volunteer Compounders, I have the honor to respectfully represent to the Government the following facts.-

i. There are so many as 33 Compounders in the Department to be replaced by fairly literate and properly trained young men.

1i. Many a Compounder out of the total number in service Viz., 146 asks for leave of absence or becomes incapacitated and fresh men have to be found to take their places temporarily or permanently.

iii. For want of literate and properly trained persons, any sort of men have now to be put in and this is certainly not conducive to the interests of the ailing public.

iv. In view to avoid this great difficuly, I appointed a

few

few Volunteer Compounders under the authority of Government Order No.13250-1/Mis.1962 dated 8th June 1896.

v. The Comptroller objects to pay the subsistence -- allowance to these Volunteers though as I take it the Govt., Order permits payment of such an allowance.

2. I solicit the favor of the Government kindly taking the matter into their consideration and ordering the payment of the allowance claimed on behalf of each of these Volunteers.

3. I also request the Government to be graciously pleased to permit me to train during the Current official year 12 young men, who have passed the Lower Secondary Examination in English, in the art of compounding on a subsistence allowance of Rs.5/- per mensem for a period of 8 months.

4. These trained men will come in handy for filling up temporary or permanent vacancies.

I have the honor to be,

Sir,

Your most obedient servant,

J. J. Anjaneyulu

No.1338 dated 7-5-12 from the Medical Officer, Victoria Hospital, Bangalore, to the Senior Surgeon with the Govt of Mysore, Bangalore.

The enclosed is the bill for Rs.4-2-8 prepared and sent to the Treasury for encashment in accordance with your Official Memorandum No.3429 dated 22/23-2-12. It was returned for want of order from the Comptroller for disbursement. I have therefore the honor to request that you will be so good as to arrange for the enclosed subsistence allowance bill being cashed at the District Treasury.

No.4730 dated 18/20-5-12 from the Senior Surgeon with the Govt., of Mysore, Bangalore, to the Comptroller of Mysore, Bangalore.

In forwarding the accompanying copy of letter No.1338 dated 7-5-12 from the Medical Officer, Victoria Hospital, Bangalore, together with a bill for Rs.4-2-8, has the honor to invite his kind attention to the latter part of para 3 of Govt Order No.13250-1/Mis 1962 dated 8-6-96, and to request that he will be so good as to return the bill preaudited and issue -- necessary instructions to the Treasury Officer for the payment of the subsistence allowance to the volunteer compounder as sanctioned by Government.

No.7444/Gr.1.No.1156 dated 28th May/5th June 1912, from the Comptroller to the Govt., of H.H.the Maharaja of -- Mysore, to the Senior, Mysore Government.

In returning herewith unaudited the bill for Rs.4-2-8 being the subsistence allowance claimed on behalf of Vasudeva Rao, Volunteer Compounder, Victoria Hospital, Bangalore, received with his docket No.4730 dated 18/20th instant, and with -- reference to his Memo No.4767 of the 27th instant asking this office to arrange for the disbursement of the subsistence -- allowance to the volunteer compounder, has the honor to state that the Government order of June 1896 referred to by him, which sanctioned the training of 65 compounders out of 107 who

were

were in service at the time, does not authorise the entertainment of new hands now on a subsistence allowance of Rs.5/- per mensem.

No.5028 dated 11/12-6-12 from the Senior Surgeon -- with the Govt., of H.H.the Maharaja of Mysore, Bangalore, to the Comptroller of Mysore, Bangalore.

In reference to your No.7444/Gr.1.1156 dated the 5th ~~May~~ May 1912, I have the honor to state that during my inspection of Dispensaries I found that many a compounder of the 65 mentioned in para three of the Government Order under reference, is incapable of proving himself useful even after training -- owing to utter want of preliminary English qualification & that instead of allowing them chances of killing people, I consider it better to train men with some amount of English knowledge and make them supplant these ignorant men.

2. It is in this view of rendering some service to humanity that young men are being trained in the most important art of compounding and under the circumstances I request that their subsistence allowance bills be kindly passed for payment

---

No.7882/Gr.1.1231 dated 17/19th June 1912 from the Comptroller to the Govt. of H.H.the Maharaja of Mysore, to the Senior Surgeon, Mysore Government, Bangalore.

With reference to your letters No.5028 dated 11th/12th Instant and No.5039-41 dated 12th June 1912, asking this office to pass the subsistence allowance bills of persons appointed as volunteer compounders, I have the honor to state that the points urged by you are those to be considered by Government and not by this office. Hence the Treasury cannot be authorised to make payment without the express orders of Government authorising the same.

Sir,

In reply to your letter No.3136 Med 12-12-4, dated, the 18th October 1912 and in continuation of this office letter No.G. 203 dated 3/12/1912, I have the honor to state that out of the 33 Compounders reported to be illiterate and requiring to be replaced by trained men, only 9 were entertained subsequent to Government Order No.4813-14/Med (71-04)-8 dated 9-11-1905.

2. It has happened many a time that for want of properly trained men the Sub Assistant Surgeons in charge of Local Fund Dispensaries have had to engage illiterate men to help them to some extent in making up mixtures for instance, in the way of adding sufficient quantity of water - fixing labels to bottles &c.

3. For want of properly trained English knowing men these illiterate persons have had to be continued to be employed should the permanent incumbents be away on leave &c.

4. It is to obviate all such difficulties that I have submitted

submitted my proposals for training men. Some of the existing untrained men are past all possibilities of being trained.
